

Think of the most unforgettable films you've ever seen – Jaws, Close Encounters, E.T., The Star Wars Trilogy – and two names keep recurring. Steven Spielberg and George Lucas. Between them they've been responsible for the six most successful films ever made.

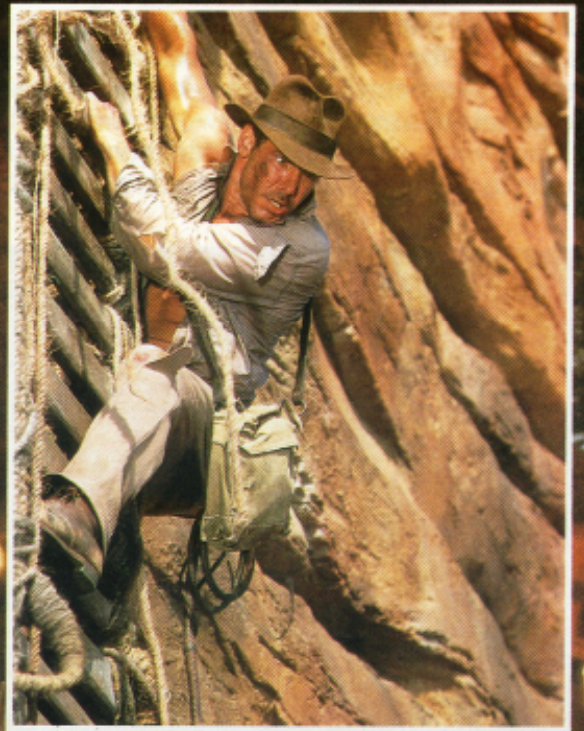

Three years ago they combined their prodigious talents to create the ultimate hero in a classic

motion picture entertainment – Raiders of the Lost Ark starring Harrison Ford as the irrepressible adventurer Indiana Jones.

Now Steven Spielberg and George Lucas bring the intrepid archaeologist back to face even greater perils in a major new film experience "Indiana Jones and the Temple of Doom".

Indiana Jones. The hero is back.

He's romantic, charming and amusing.
He's heroic, tough and daring.
Once again, meet the irresistible Indiana Jones.
